

How to access video tutorials on KooBits to learn how to solve a problem sum?

Method 1 (Written Solution)

- This is screen shown after all the answers have been keyed in submitted.
- Click on “Show solution”.

- Click on “Show solution”.

A screenshot of the KooBits question page. At the top, a light blue bar displays "TOTAL SCORE 0% (0 out of 7) Completed on 25-May-2021". Below this, the question is titled "Question 1" and reads: "Miko started her homework at 4.45 p.m. She finished her homework at 6.10 p.m. How long did Miko take to finish her homework?". The answer input fields show "4" in the hours field and "54" in the minutes field, both with red 'X' marks indicating they are incorrect. Below the input fields, a pink message box says "You have incorrect answer. No score for this question." At the bottom right, there are two links: "Show My Working" and "Show Solution", with the latter circled in red.

- Written solution will be shown.

You have incorrect answer. No score for this question.

[Show My Working](#) [Hide Solution](#)

Solution:

$$15 \text{ min} + 10 \text{ min} = 25 \text{ min}$$

$$1 \text{ h} + 25 \text{ min} = 1 \text{ h } 25 \text{ min}$$

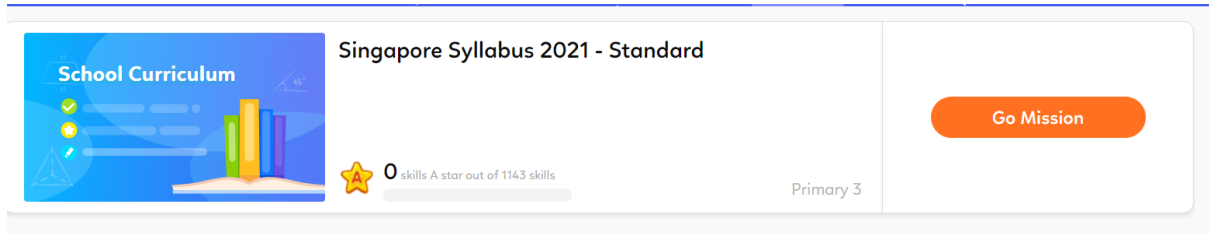

Miko took 1 hour 25 minutes to finish her homework.

Method 2 (Watching explanation video on how to solve a problem sum)

- Log in via “member.koobits.com”

- Click on “Mission”

- This is the list of skills shown

Primary 3 ★ 0 / 33 **Numbers To 10000** Proficiency % High Score ★★★

	High Score	Difficulty
1	☆☆☆ Write numbers to 10 000 in numerals	Continue
2	☆☆☆ Reading and writing numbers in words	Practice
3	☆☆☆ Count to 10 000	Practice
4	☆☆☆ Use a place value chart to show numbers to 10 000	Practice
5	☆☆☆ Number notation, representations and place values	Practice
6	☆☆☆ Compare numbers with different digits in the thousands place	Practice
7	☆☆☆ Compare numbers with the same digits in the thousands place	Practice

Left sidebar topics: Numbers To 10000, Addition & Subtraction Within 10000, Multiplication Tables of 6, 7, 8 and 9, Multiplication & Division, Money, Length, Mass, Volume, **Time**, Fractions, Angles, Perpendicular And Parallel

- Select the topic of “Time” and go to the relevant skill number that you need to complete

Primary 3 ★ 0 / 42 **Time** Proficiency % High Score ★★★

	High Score	Difficulty
1	☆☆☆ Tell and write time to 1 minute	Practice
2	☆☆☆ Tell time and use the terms "past" and "to"	Practice
3	☆☆☆ Convert hours to minutes	Practice
4	☆☆☆ Convert hours and minutes to minutes	Practice
5	☆☆☆ Convert minutes to hours and minutes	Practice
6	☆☆☆ Find duration	Practice
7	☆☆☆ Find duration in hours and minutes	Practice

Left sidebar topics: Numbers To 10000, Addition & Subtraction Within 10000, Multiplication Tables of 6, 7, 8 and 9, Multiplication & Division, Money, Length, Mass, Volume, **Time**, Fractions, Angles, Perpendicular And Parallel

- Click on the “play” button to access the video tutorial which explains how to solve the problem.

7 ☆☆☆ Find duration in hours and minutes Practice
